

PIAZZA SAN MARCO

This extraordinary square, located in Venice, includes:

- The gold and Flamboyant Gothic porticoes of St Mark's Basilica;
- The elegant bell tower;
- The Doge's Palace with its delicately carved pink marble;
- The Procuratie's long line of colonnades.

FONTANA DI TREVÌ

The monumental Trevi Fountain is a masterpiece commissioned by Pope Clement XII, designed by Nicola Salvi and completed by Giuseppe Pannini in 1762.

Busy throughout the day, the fountain is popular with tourists who come here to throw their coins into the fountain, for guaranteeing that they will return to Rome one day.
